I would ship Friday for a Monday arrival just to be sure.

Thanks -- I saw [redacted] response with the address. So we will ship the sampling kit (probably 2 boxes) to the address -- with [redacted] as the addressee I assume.

Do you think we should ship on Friday for Monday arrival? Or do you think we should ship on Monday for Tuesday am arrival?

Kent

Hi Elizabeth:

I'm going through my daily checklist. Are you planning on collecting samples at [redacted] on Monday August 29? If so, we will need to ship a sampling kit on Friday. I think the plan was to ship it to the plant? Do you have a name and overnight shipping address?

Thanks,
Kent

Hi all,

We have had another conference call scheduled at 3pm tomorrow. If possible, can we move the ST call to 3:30? I believe we will need an hour for the call tomorrow. Please let me know your availability as soon as possible. My apologies for any inconvenience.

Thanks,
Elizabeth
